

CHUO UNIVERSITY SURUGADAI CAMPUS BARRIER FREE MAP

(Created: February 2024)

The Surugadai Campus is a high-rise campus with 19 floors (the basement serves as a warehouse, and the 20th floor is the rooftop). Please access each floor from 1F using the elevator (B1 - 19F) or the escalator (direct 1F ⇄ 4F).

The location of barrier-free restrooms and nursing rooms varies by floor, so please check the locations on the map below.

About the Facilities Inside the Multifunctional Restroom

- Ostomate restroom
- Baby chair
- Retractable multi-purpose seat
- Diaper-changing table

The multifunctional restrooms from 4F to 19F are equipped with a bed. The 4th-floor multifunctional restroom facilities have a spacious interior, making it easier to use the multipurpose seat with a wheelchair alongside.

- University Facilities**

For details of AED locations at Chuo University, scan the QR code on the left (Chuo University Student Support AED Locations page[Japanese Only]).

*The number of priority parking spaces in each location is indicated on the map.

Access Route

Please use public transportation to get to the campus. The routes below are connected by elevators from the platform to the ticket gates and to the exits at nearby stations.

*Contact us in advance if you are coming by car and need priority parking.

Train

A From Ochanomizu Station on the Tokyo Metro Marunouchi Line to the Main Entrance

From Exit1 After getting off the elevator, proceed straight ahead to the right and cross the Ochanomizu-bashi Bridge.

From Exit2 After getting off the elevator, proceed straight ahead to the right, turn left, and cross the Ochanomizu-bashi Bridge.

Immediately after crossing the bridge, turn left and go straight ahead about 120 meters. Take the pedestrian crossing on your right. Go down the slope on the right of the Saint Clair shopping complex for about three minutes.

C From Shin-Ochanomizu Station on the Tokyo Metro Chiyoda Line to the Main Entrance

Exit the ticket gate in the direction of the Hijiri-bashi Bridge and go up to ground level from Exit B2. Go straight across the nearest pedestrian crossing, turn left, and continue down the slope. Cross the second pedestrian crossing (the College of Science and Technology, Nihon University) and turn right to arrive.

B From Ochanomizu Station on JR Chuo and Sobu Lines to the Main Entrance

From the Hijiri-bashi Bridge Exit, go right and cross the pedestrian crossing in front of you. Turn right, follow the path around the Saint Clair shopping complex (turning left around the corner), and go down the slope for about three minutes.

D From Awajicho Sta. on the Tokyo Metro Marunouchi Line or Ogawamachi Sta. on the Toei Shinjuku Line to the Main Entrance

After exiting the ticket gate, move through the underground passage to the Surugadai Building of Mitsui Sumitomo Insurance (B3b). After getting off the elevator, turn left, turn left again in front of the College of Science and Technology, Nihon University, and proceed straight ahead to arrive.
